

# LUCAS DILA

---

MULTI-PLATINUM PRODUCER & INTERNATIONAL DJ

# BIOGRAPHY

---

Born in Paris, Lucas Dila's sound was shaped by growing up across continents, from France to the Indian Ocean, the Caribbean, and the Pacific islands. His journey led him to Los Angeles, where he now operates at the highest level of the global music industry.

With multi-platinum and diamond-certified credits alongside Tyga, Rauw Alejandro, Myke Towers, MOLLY, Shenseea, Rvssian, and more, and a stake in a record surpassing one billion streams, Lucas has built one of the most formidable behind-the-scenes catalogs in modern music.

Now stepping into the spotlight as an artist DJ, he has already performed in exclusive settings around the world, from a private yacht party to a five-star resort in the Maldives.

Lucas Dila's Afro House sets are crafted with the instinct of a global hitmaker. From records he helped bring to the world to original songs and exclusive remixes, every set carries a level of authorship that sets him apart. Designed for people that expect more than ambiance, every performance is an experience.
